Founded in 1997, Colleague Consulting, LLC (Colleague) is a dynamic organizational consultation and training firm that has a core team of consultants with expertise across the many disciplines of the federal government and private sector. We are experts at managing complex and technical projects that require close attention to detail and a strong emphasis on relationship management.

Colleague helps clients make the dramatic shift from conventional training to cutting-edge, relevant learning in order to achieve workforce transformation. We work with our customers to create learning environments that foster knowledge transfer, sharpen job skills and improve long-term employee performance. Our consultants join consulting with collaborative design and creative execution to ensure continuous learning at every level. We use custom tools, advanced technologies and industry best practices to help clients get the right people, in the right places, with the needed skill set to meet the challenges ahead and drive sustainable organizational success.
